## Product Label

### Woodwright Product Label

Each Woodwright Insert Window has a unique identification number found on the permanent label. The label on a double-hung insert is located in the upper left corner of the upper sash head jamb track. The label on a picture or transom unit is located under the side stop in the lower right-hand corner.

To ensure that replacement parts match the specifications of the original product, provide both the **ID #** and the **Product ID** when ordering replacement parts.
