## Unit Sizes

### Product Labels

Clad french casement windows have an identification logo etched on the bottom right corner of the glass of each sash as viewed from the interior.

This identification logo contains a "P Number". The "P Number" is located directly below the Andersen® or KML by Andersen™ logo. "P Numbers" include both the Production Number and Line Item Number separated by an exclamation mark.

When ordering replacement parts, please provide the "P Number" and a brief description of the product and part required to ensure the replacement part(s) match the specifications of the original product. If unable to locate the "P Number" contact the appropriate Andersen® distributor.

### Unit Sizes

#### Standard Sizes

Standard sizes are available to complement Andersen® 400 Series and 200 Series products.

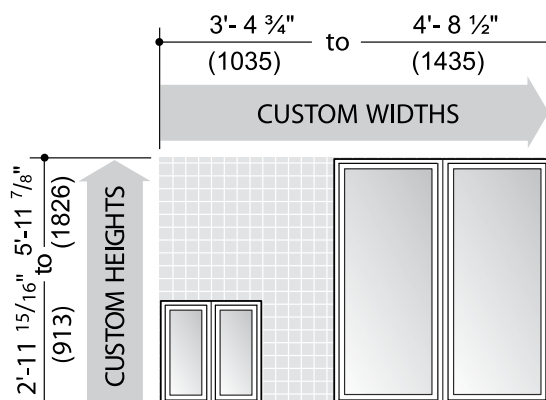

#### Custom Sizes

Custom sizes are available. Sizes must fall within size ranges shown on next page. Not all sizes within size range can be operating.
